## DETAILS OF INVESTIGATION

### Predication

This investigation was based upon a complaint register affidavit submitted by the Drug Testing Unit (DTU) Supervisor Robert Dombrowski. Supervisor Dombrowski reported to OPR that Deputy Director (DD) Michael Magliano had tested positive [REDACTED] after a mandatory drug test on March 18, 2014.

### Investigative Process

OPR reviewed documentation received from DTU. OPR submitted a prescription profile to DTU for the purpose of a verification prescription test.

### Drug Test Results

On March 18, 2014, DD Magliano tested positive [REDACTED] [REDACTED] in his bodily system subsequent to a mandatory drug test. DD Magliano provided a copy of his prescription profile, which was forwarded to DTU for a verification test. (Attachments 2 and 3)

DTU notified OPR that the prescribed medication found in the specimen tested would have caused a positive test result. The drug was legally prescribed and taken within prescribed limitations. DTU recommended no further action be taken by OPR. (Attachment 4)

### Findings

This case is closed with a finding of exonerated.

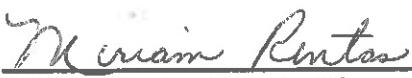

*I certify that no Political Reasons or Factors were considered in any decision OPR made or action OPR took relating to this Employment Action. Further, OPR does not know of or have any reason to believe that, anyone else considered or took action based on Political Reasons or Factors with respect to this Employment Action.*
